

Nevada Health Centers, Inc.
PATIENT ACKNOWLEDGEMENT AND
CONSENT FORM

On behalf of myself or my minor child or other patient named below, I acknowledge and consent to the statements made in this form. Changes or alterations to this form are not binding on Nevada Health Centers and/or its affiliated facilities (each and all of them referred to as “NVHC” in this form).

Consent to Healthcare Services: I am requesting that healthcare services be provided to me (or my minor child or the patient named below) at NVHC. I voluntarily consent to all medical treatment, dental treatment, behavioral health treatment, and healthcare-related services that the caregivers at NVHC consider to be necessary for me (or the patient named below). These services may include diagnostic, therapeutic, imaging, and laboratory services, including HIV testing. If I want any HIV testing to be performed anonymously, I will tell my NVHC caregiver. I am aware that the practice of medicine and surgery is not an exact science; no guarantees have been made to me about the results of treatments or examinations.

Telemedicine: I understand that NVHC may provide certain services by remote telehealth technology. Such telehealth services involve a health provider who is at a site remote from my location at the time of the service, and, as such, telehealth often involves the transmission of video, audio, images, and other types of data. The remote health provider will determine whether the condition being diagnosed or treated is appropriate for telehealth, and I understand that there is no guarantee of diagnosis, treatment, or prescription. Further, I understand that I may have to travel to see a health provider in-person for certain diagnosis and treatment matters. I understand that the laws that protect privacy and confidentiality of medical information also apply to telemedicine and, as always, my insurance carrier will have access to my medical records for quality review / audit. I understand that I will be responsible for any copayments or coinsurances that may apply to my telemedicine visit.

Clinical Pharmacy Services: I understand that NVHC may provide certain clinical pharmacy services. Such clinical pharmacy services involve a clinical pharmacist working in collaboration with my Primary Care Provider. During these appointments, the clinical pharmacist may initiate, modify or discontinue medications pursuant to a collaborative practice agreement. I understand that the clinical pharmacist is not a physician, advanced practice registered nurse or physician assistant and may not diagnose. Further, I understand the clinical pharmacist has the right not to answer questions or perform services outside the pharmacist’s scope of practice.

Uses and Disclosures of Health Information: I have received Nevada Health Centers’ Notice of Privacy Practices. The Notice of Privacy Practices explains how Nevada Health Centers may use and disclose confidential health information that identifies me (or the below-named patient). I consent to let Nevada Health Centers use and disclose health information about me (or the below-named patient) as described in the Notice of Privacy Practices. In doing so I consent to the release of my (or the below-named patient’s) health information and financial account information to all third-party payers and/or their agents that are identified by NVHC, its or billing agents, collection agents, attorneys, consultants and/or other agents that represent NVHC or provide assistance to NVHC for the purposes of securing payment from all parties who are potentially liable for payment for my (or the below named patient’s) healthcare, including for substance abuse, psychiatric care, or HIV, if applicable. I can revoke my consent in writing at any time except to the extent that NVHC has already relied on my consent.

I consent to receive, on the cellular phone and/or other telephone number(s) that are provided to NVHC on this form or updated at a later time, text messages and/or telephone calls or other communications using live, artificial or prerecorded voices, automatic telephone dialing systems, or any other computer-aided technologies from NVHC and its affiliates, clinical providers, and business associates, along with any billing services, collection agencies, agents, or other third parties who may act on their behalf. Such text messages and/or telephone calls may be related to any purpose, including those related to my account and/or the care rendered. I understand this consent to communications is not required to receive services from NVHC or any of the other authorized callers and that data usage and other charges may apply. I may revoke this consent to these communications at any time.

Nevada Health Centers, Inc.
PATIENT ACKNOWLEDGEMENT AND
CONSENT FORM

I hereby consent and grant to NVHC the right and authority to photograph and/or record me, my image and voice, which could occur in connection with my diagnosis and treatment, and I agree that upon creation such images and/or recordings are owned by NVHC. I understand that I have the right to request cessation of recording or filming at any time. I agree to release and forever discharge NVHC, its agents, officers and employees from any and all claims arising out of or in connection with the use of these images and/or recordings including, but not limited to, any claims for invasion of privacy, right to publicity or defamation.

Valuables/Limitation of Liability: I understand that I should not bring valuables (cell phone, electronic devices, medical equipment, jewelry, money, irreplaceable documents, etc.) with me to NVHC. If I choose to bring valuables to NVHC, I AGREE THAT NVHC SHALL NOT BE RESPONSIBLE FOR VALUABLES.

By signing below, I am indicating that I have reviewed and acknowledge and consent to the terms described above.
