

# Winter Wear Drive for the Homeless

Now through September 22<sup>nd</sup> • Join us to help our friends in need

Help the **Beverly E. Coleman Nevada Health Foundation, Nevada Health Centers, and Jobs For Nevada's Graduates** support the community by donating to a collaborative winter clothing drive benefiting Nevada's homeless adults and youth.

From now through September 22<sup>nd</sup>, help our homeless community by dropping off brand-new child- and adult-sized winter items such as beanies, mittens, gloves, socks, hoodies, and jackets.

If you don't have time to shop but would like to participate, scan the QR codes on the bottom right to shop our Amazon Wishlist or donate \$20 so that we can buy items on your behalf.

All donations will go to **Las Vegas Health and Wellness Center** and **Nevada Partnership for Homeless Youth** to help our unhoused community members keep warm for the winter.

## United Way's Day of Caring
